On November 19, South Carolina Wing will host a Safety Training and Education Day at SC Wing HQ in Columbia. Mr. Frank Jirik, the CAP National Headquarters Safety Manager, will be the primary presenter (there will be others). Courses offered include Behavior Based Safety, Introduction to Mishap Review, and the Executive Safety Course.

This course is open to ALL Civil Air Patrol members, from any wing or region.

For more information, or to register for this no-cost training event (well, you have to bring some lunch money) please [click here](#) or contact Capt Safley!
